Dear Parents and Carers,

Please find the schedule of payments for your child's Stage attached. This year we will be invoicing these payments to your child's account and a detailed invoice will follow shortly.

The General Contribution allows the school to provide new and updated resources and equipment for our students to use throughout the year.

It is expected that all items will be paid for as each textbook/class material is supporting your child's learning. Excursions and incursions are costed at the lowest possible level to ensure equitable participation by **ALL STUDENTS**. All excursions/incursions relate to the learning topics covered in the curriculum.

It is also expected that PSSA costs will be met every season. Students with outstanding fees will not continue to participate as the school has no capacity to meet these costs.

Payments can be made as one payment or multiple payments throughout the year, However payment must be made by the due dates for all activities and excursions. These due dates will be clearly shown on the permission notes that will be sent home closer to the event. If payment is not received by the due date your child will miss out on participating. Payment does not act as parental permission. Parents must complete the permission note as well as making a payment.

This year we have made a change to the way the General Contribution is made up to better reflect payments for families. The table below explains the payment structure.

<b>Family Structure</b>	<b>Amount</b>
Single child	\$50.00
Two children	\$80.00
Three or more children	\$100.00

Please note we have tried to give a complete list of expenses, from time to time there may be added excursions and incursions not listed that come up throughout the year that require payment. Camps are not listed on schedule of payments.

Payments can be made online via the website or at the office by cash or cheque. If you have any questions please see Mrs Bryant in the office.

Mrs Sharon Simpson  
**PRINCIPAL**
