PERMISSION TO PUBLISH STUDENT WORK

Padstow Park Public School is always keen to acknowledge the great work done by our students. Often the school is able to present/publish our student's work, both within the school (e.g. in the foyer) and outside the school (e.g. at the local library).

PERMISSION TO PUBLISH STUDENT IMAGE (PHOTOGRAPH)

Media opportunities are something that most children enjoy. It is expected that during the year the school will seek publicity in the media for various programs and events. It is likely that students could be photographed and/or filmed and/or interviewed in the course of this publicity. Some families may have issues (e.g. custody situations) that will mean that they do not want their child's image published. Publicity opportunities may include having a photograph displayed as part of the photo presentation in the foyer, or may involve local media such as the Daily Telegraph, local newspapers or Sydney TV Networks.

*I give permission for the school to publish my child's image **within the school.***

*I give permission for the school to publish my child's image in the media **outside the school.***

PG RATED MOVIES

DET regulations mean that primary school students are only able to watch G rated movies at school without parental permission. At times we may want to watch a PG rated video. If your child's class watches a PG rated video the teacher will have viewed the video and deemed it suitable for the class.

I give permission for my child to watch PG rated movies that have the approval of the Principal.
